MARSE HENRY probably defines WILLIE HEARST's anti-Bryan campaign as another case of "psychic cruelty," although it is a plain case of common sense. The Peerless One is a little too rank even for WILLIE RANDOLPH HEARST. And HEARST is rank himself.

The C. W. B. M. of the Christian Church will meet with Mrs. John M. Frazer this evening at 7:30 o'clock.

The Fourth Quarterly meeting at Stewart's Chapel will be held Sunday afternoon at 3 o'clock; also Sunday night at 7:30 o'clock, by Rev. F. W. Harrop, Presiding Elder.

The Ripley Fair closes today with Hon. Judeon Harmon, Democratic nominee for Governor of Ohio, as the star exhibit. There were 6,000 people on the grounds yesterday and the attractions were the greatest ever.

Hibler & Russell of Beechwood fame, accompanied by a K. of P. Committee, consisting of J. W. Lee, Sherman A. and C. J. Haucke, are in Ripley today hosting the big K. of P. celebration, which opens here on August 31st.

For SPRINGS, Va., Aug. 4.—There was no reservation in the Southern hospitality accorded Judge Taft by the Virginia State Bar Association here today on the occasion of the address of the candidate on "The Law's Delays." His presence and his introductory pleasantries were applauded by an audience representative of the social life of the Old Dominion, the burden of his speech meeting with expressions of approval by the lawyers present.

THE worse than anarchistic conditions in certain sections of Kentucky are so intensely bad that their continuance is a reflection upon the Governor and every peace officer in the sections menaced. For the high State officials to lol idly in their easy chairs while riot, murder, arson and wholesale lynchings multiply, is a spectacle we never expected to see again in Old Kentucky. Is there not some way that the Governor can take drastic methods to control the troubles, just for the honor and the self-respect of decent and law-abiding Kentuckians?

A gentleman entered a phrenologist's office and asked to have his head examined. After a moment's inspection the Professor started back exclaiming: "Good gracious! You have the most unaccountable combination of attributes I ever discovered in a human being. Were your parents eccentric?" "No, sir," replied the all-round character, "but my wife is. You needn't pay any attention to the larger bumps, sir."

The Vanceburg City Council is preparing a petition to send in to the C. and O. asking that the fast trains make that place a stopping point.

Charley Pearce's ball team naturally wiped up the earth with the Flemingsburg boys yesterday at the ball park in this city, the score being 23 to 0 in favor of Maysville.

Mr. William Madden and cousin, Miss Kathryn Carr, after having spent several weeks with his parents and other relatives, departed Thursday on the Courier for Cincinnati, where they will spend a few days and then return to their home in St. Louis.

Times-Star Newport item—Miss Rose McAuliffe and Miss Margaret Buckley of Maysville are here, the guests of Mrs. Frank Collins of East Third street. They will leave during the coming week for an extended tour of the Lakes and a visit to Toronto and the Thousand Islands.

Mrs. S. A. Shanklin, Misses Ellen Shanklin, Agnes Shanklin, Lucille Brough, Louise Robb, Marguerite Fitzgerald, and Messrs. James Finch of Helena, John Keith, Alex. Parker and John Fitzgerald have returned from Carlisle, where they have been guests at a house party entertained by Mr. and Mrs. William Robb.

Don't forget the boat ride this evening at 7 o'clock. Tickets twenty cents.

**OVER LICENSES**  
**Gun Play and Two Fights Occurred at Same Time in Louisville Council**

Excitement reigned in the City Hall at Louisville Wednesday night.

Almost simultaneously two fights occurred, one in the Council Chamber and the other on the floor beneath.

In the first bout Councilman Jack Richardson, it is alleged, knocked down Alex. Barrett, Chairman of the Board of Public Works, while the Council was in session and in full view of the members.

The fight was the culmination of a fiery argument over several granite contracts. Policemen and detectives rushed between the combatants and separated them. No arrests were made.

In the second fight Detective Robert J. Foster knocked down Tom O'Mara, an ex-saloon keeper, who, it is alleged, drew a revolver.

**BOARD OF EDUCATION**  
 The Board of Education met in special session last evening for the purpose of clearing up the odd and ends left over from the last regular meeting, preparatory to the opening of school in September.  
 James V. Lytle was elected Jaultor for the District School in the First Ward at a salary of \$20 per month.  
 H. C. Barnes of Cecilian, Ky., was elected Principal of the Fourth Ward District school. He is a young married man and comes highly recommended as an educator.  
 After allowing orders for bills and providing for a few minor matters the Board adjourned until the next regular monthly meeting.

**At the Ripley Fair Yesterday—**  
**Swiped the Platter and Left**  
**Little for Other Contestants**

Wells Bros. from this city were decidedly in it at the Ripley Fair yesterday and walked away with the following premiums on their highly bred horses:

Fine saddle stallion, Victor.  
 Best stallion of any age.  
 Best horse, mare or gelding.  
 Best combined horse, mare or gelding.  
 Best racking horse, mare or gelding.  
 Also the four-year-old Alpersou premium.  
 As usual, Kentucky was represented by about 1,500.  
 The Fair was good and the crowd exceedingly large.

**MOST SPECTACULAR FIRE**  
**In the History of Kentucky—**  
**47,500 Barrels of Whisky**  
**Destroyed at Midway**

Yesterday's LEDGER's "Latest News" had a brief item about the Midway fire of Wednesday night. Fuller details show that the fire was the most disastrous and spectacular in the history of the State.

The blaze, which is believed to be of incendiary origin, destroyed six large bonded warehouses of the Greenbaum distillery, containing 47,500 barrels of whisky; burned six Negro cottages, a Southern railway trestle, two county bridges and threatened the Northern part of the town of Midway.

The property loss is at least \$300,000, partially covered by insurance, while the constructive loss to the Government in the destruction of the whisky in bond, amounting to 2,300,000 gallons, will be nearly \$4,000,000.

The main distillery, the books and Superintendent's residence were saved.

Frankfort, Lexington and other towns were appealed to for help, but were unable to respond.

The concern was one of the largest in the State. It is owned by Morris Greenbaum of Louisville and manufacturers of liquor for Chicago and Louisville firms. The plant had been closed several months. The fire will be investigated.

Thousands of bats driven from the distillery added terror to the scene.

## COLORED VOTERS

Organize a Taft and Bennett Club at Greenup---Every Colored Man in Line

GREENUP, Ky., August 6th.

The colored voters of Greenup county met at the Court-house in Greenup last night and organized a Taft and Bennett Club. C. G. Cannon was elected Chairman and Samuel McConnell Secretary of the Club. Every colored voter in Greenup county became a member of this Club.

The colored people of this place are displaying much interest and are very enthusiastic in the interest of Judge Taft and Judge Bennett. They strongly resent any intimation that any colored voter in Greenup county will support the Democratic ticket at the coming election.

There are a great many colored voters in this county and Taft and Bennett will not lose one of them. The colored voters of Greenup county are not insensible to the fact that they have received many kindnesses and favors from the Republican party.

They commend their action to the colored voters all over the State of Kentucky.

## WORK THAT TELLS.

Plenty of It Has Been Done Right Here in Maysville.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders now declare that relief was permanent and the cure perfect. How can any Maysville sufferer longer doubt the evidence? M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case several years ago has remained permanent, and the testimonial I gave in their favor at that time still holds good. As previously stated, I was bothered a great deal by the too frequent action of the kidneys, this being especially annoying at night, when I would be obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and I had only taken them a short time when I noticed a marked improvement in my condition, and continuing with their use was cured. I have since learned of several instances in which Doan's Kidney Pills have been used with like results, and this has only served to strengthen my already high opinion of them."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
